All Suites. With All The Comforts.

Residence Inn Toronto Airport has been carefully designed to provide an ideal location – ample amenities and superb service for extended-stay travellers and business meetings. Much larger than a standard hotel room, our 137 brand new one and two bedroom suites offer complimentary Hi-speed Internet, voicemail – large screen Plasma television – fully equipped kitchen, dining and living area – work desk and marble tiled bathroom with luxurious tub.

Start The Day With Breakfast On Us.

Every morning starts with a delicious and complimentary hot buffet breakfast – Monday to Thursday free afternoon snacks are served and – every Wednesday evening a complimentary dinner is hosted by the General Manager. The Market® offers 24-hour convenience, delicious snacks and meals to go. Parking is complimentary, as is the 24-hour Airport Shuttle.

Meeting Facilities

Two meeting rooms offer over 1,000 square feet of highly functional meeting space and can be booked for short and long term requirements. Both rooms include a permanent projection screen and Hi-speed Internet is available. The Great Room can accommodate up to 50 people and features ample natural light and side buffet station while the Home Room is ideal for boardroom style meetings. Complete catering and audio-visual services are available on-site.

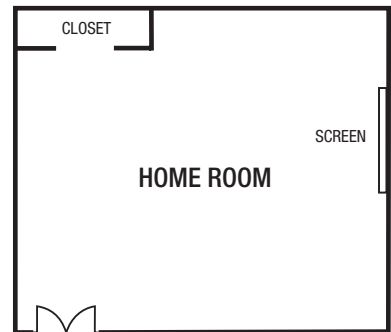

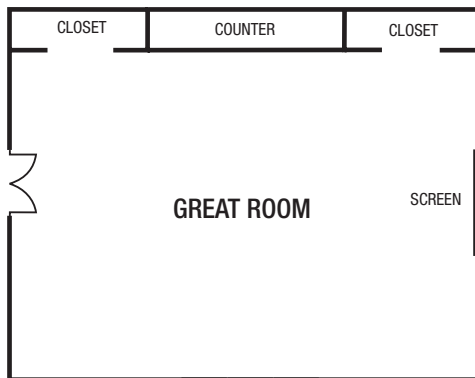

Fitness & Relaxation

Our home away from home includes a number of ways to add fun and games to your business agenda. A wide range of equipment is available in a spacious fitness room. A spectacular indoor pool and whirlpool room features a two-story ceiling, large windows and skylights. During the warmer months, an outdoor basketball net is set-up for guest enjoyment.

Nearby Dining & Entertainment

Within driving distance enjoy Paramount Canada's Wonderland – Sherway Gardens shopping centre and the Royal Woodbine Golf Club. Dozens of great restaurants are only minutes away and the plentiful attractions of downtown Toronto are reached by an easy drive.
